

## Environment Policy

**DT Civils Limited** recognise that in managing their activities they have a responsibility to customers, employees and the general public.

They have therefore adopted an environmental policy, which incorporates the principles of sustainable construction.

The aim of this policy is to:

- Ensure that all applicable legislation, regulations and codes of practice are adhered to on all sites and works
- Promote environmental awareness and commitment to the policy amongst all employees
- Avoid the wastage of materials, water and energy by paying careful attention to their use
- Always seek to use wherever possible, materials from renewable sources and recycled or recyclable materials
- Encourage customers, where possible, to adopt the principles of sustainability
- Undertake permanent works to:
  - Minimise pollution and the use of energy during their occupation,
  - Minimise the use of raw materials during construction,
  - Minimise waste during construction,
  - Improve the landscape, and
  - Retain natural features where possible.
- Plan carefully to prevent pollution and minimise environmental disturbance as a result of our activities

In order to achieve this, it is the policy of DT Civils to operate an Environmental Management System.

DT Civils Limited is committed to the following:

- Take expert advice when necessary
- Reduce the impact of our projects on neighbouring communities and keep local people informed of our activity
- Minimise noise, dust and mud
- Control traffic movement and parking
- Comply with legislation, planning conditions and employ good practice
- Prevent pollution into the air, the ground and watercourses
- Protect wildlife and trees
- Protect materials to reduce wastage
- Segregate unavoidable waste and recycle wherever possible

It is the responsibility of all members of staff to read, understand and comply with the contents of this policy.
